

## **Information Directly from Virginia Tech Regarding Current COVID Protocols:**

*Policies are subject to change and will continue to be communicated to students and parents.*

- Verification of a negative COVID-19 test will be required to be submitted to the YCC Camp Director within 72 hours (3 days) of arrival to Virginia Tech.
- Appropriate facial coverings are required when outside of assigned residence hall floor(s). Guests will be expected to follow masking requirements applicable to space they are occupying at that time.
- Facial coverings will be required when interacting with other groups on campus. Masking is not required while eating/drinking in the dining center; however while moving within those areas, guests must use facial coverings.
- Dining cleaning protocols currently in place will continue into the summer and would be adjusted to align with current VDH and CDC recommendations.
- Housekeeping staff will be cleaning restrooms and high touchpoint areas such as elevator buttons, water bottle filling stations, and door handles frequently.
- Before, during, and after each conference, housekeeping staff will provide cleaning of bathrooms, hallways, lobbies, lounges, and other high traffic/touchpoint areas within the residence halls.
- Hand sanitizing stations have been placed near all residence hall entries and elevators.

*More specifics will be forthcoming to campers and parents. Thank you for your understanding and respect of Virginia Tech's policies as we work to ensure this is a safe and enjoyable camp experience for everyone involved!
